The Honorable Dan Bishop
N.C. House of Representatives
2216 Whilben Court
Charlotte, NC 28211

Dear Representative Bishop:

The upcoming election will be a very busy one for everyone. People get their information from TV, the internet, radio and newspapers, but with all the elections this year, the voters will be inundated with political ads and will never have a chance to get to know the candidates.

It is time to talk directly to our fellow citizens, let them ask us questions and tell us their concerns, and hear from each of us directly. I propose a series of Town Hall Meetings dealing with the following issues: Senior adults, transportation, education, environment, and health care.

Just think of what opportunity the citizens will have to ask us directly, see and hear us give them our answers, so they know where each of us stands.

Our campaign managers can work out the details for the Town Hall Meetings I really believe this would be something good for our fellow citizens and would help them become informed voters.

Please contact us using the above contact information to begin planning this series.

Sincerely yours,

Lloyd Scher
Candidate for N.C. Senate, District 39
